Allie Johnson

Advisor at Sioux Empire Travel

My name is Allie and I am a travel advisor at Sioux Empire Travel. I've been in the business for one year but I've been passionate about travel for as long as I can remember. I love nothing more than helping people plan their dream vacations and create unforgettable memories that last a lifetime. I have been to Mexico, a few places in Jamaica and many in the US. When raising a little boy and expecting another baby, sometimes getaway makes everything better!

Make it Stress-Free

I became a travel advisor because I wanted to help people make the most out of their travel experiences. I've seen too many people struggle with planning their own trips, getting stressed out, and not enjoying their vacation to the fullest. I knew I could make a difference by providing my expertise and knowledge to help people plan the perfect trip. My passion in booking is all-inclusive travel or ocean cruises. I believe that all-inclusive vacations are the ultimate way to relax, unwind, and enjoy your time away from the stresses of everyday life. And ocean cruises are the perfect way to explore multiple destinations in one trip while enjoying all the amenities and activities onboard.

Community Invested

Over at PJ Travel we love working and being part of our community. We currently are sponsoring a youth t-ball team. We also have an office in Harrisburg that we can meet with clients at. We get involved in as many activities and events in the area that we can!
