

Sioux Empire Travel
Advisor

Alyssa Pulsifer

Advisor at Sioux Empire Travel

Alyssa has been on many vacations, learning the ropes of being a travel agent as she goes. She's been to a few places in Mexico and many in the US. Her family has voted Florida as their favorite in the US and can't wait to see more places. Vegas has become a yearly trip for her and her husband. When raising 3 little boys, sometimes a getaway makes everything better!

Make it Magical

Alyssa is all about working with you to make your trip what YOU want it to be. She has booked vacations to many parts of the world. Specializing in Universal and Disney, she knows her way around each park and can help make your trips even more magical. She has booked everything from honeymoons, to family vacations, and everything all-inclusive.

Community Invested

Over at PJ Travel we love working with our community. We currently are sponsoring a youth t-ball team. These little ones are between the ages 4 and 5. They are currently learning the basics and having a blast while they do it!
